Georgia Local Section American Industrial Hygiene Association (AIHA)

The address for the Delta Training Center is 1021 N. Outer Loop Rd., Atlanta, GA 30354 (for some reason, the location isn't accurate on Google maps).

Directions:

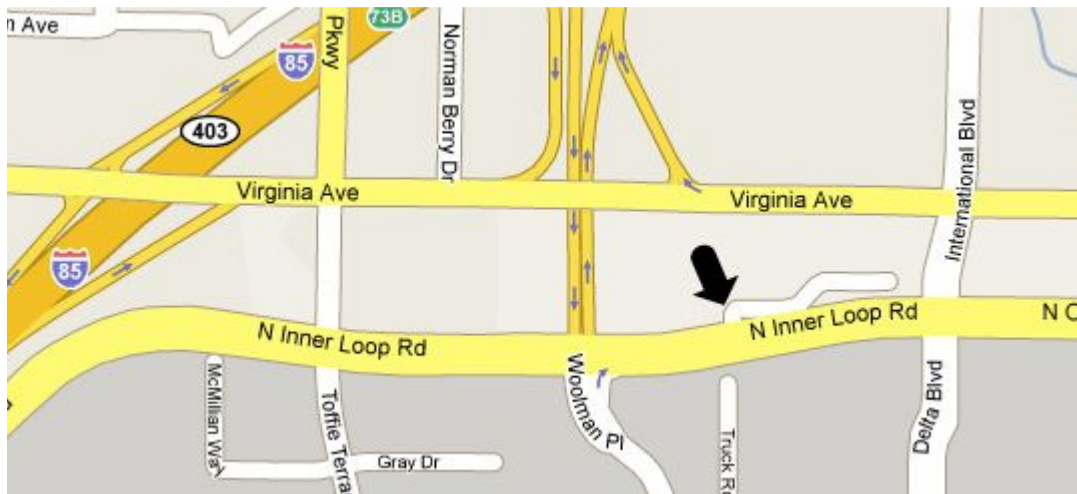

The Delta Training Center is located about a mile north of the Atlanta airport off I-85.

From I-85 South, take Exit 73 (Virginia Ave.) and turn left (east). From I-85 North, take Exit 73A (Virginia Ave. East) and veer right.

Proceed east on Virginia Ave. about 1/3 mile to the second traffic light (International Blvd). Turn right onto International Blvd and proceed one block south to N. Outer Loop Rd. Turn right onto N. Outer Loop Rd. and proceed about 600 feet to the Training Center entrance; turn right into the parking lot driveway.

Stop at the guard gate and identify yourself as an AIHA meeting attendee. You will be directed where to park and how to access the auditorium in the southwest corner of the Training Center.

People who are on the pre-registration list should get through the guard gate in less than a minute. For unregistered attendees, we'll have someone from our EHS group at the guard gate to facilitate the sign-in process; that will probably take 2-3 minutes.

We look forward to seeing you there!
